Minimum Qualification Specifications
for the Class:

UNEMPLOYMENT INSURANCE PROGRAM DEVELOPMENT OFFICER
(UNEMPL INS PRGM DEV OFFCR)

Basic Education Requirements

Graduation from an accredited four (4) year college or university with a bachelor's degree.

Excess work experience as described under the General and Specialized Experience below, or any other responsible administrative, professional or analytical work experience that provided knowledge, skills and abilities comparable to those acquired in four (4) years of successful study while completing a college or university curriculum leading to a baccalaureate degree may be substituted on a year-for-year basis. To be acceptable, the experience must have been of such scope, level and quality as to assure the possession of comparable knowledge, skills and abilities.

The education or experience background must also demonstrate the ability to write clear and comprehensive reports and other documents; read and interpret complex written material; and solve complex problems logically and systematically.

Experience Requirements

Applicants must have progressively responsible experience of the kind and quantity described below, and in the amounts shown below, or any equivalent combination of training and experience:

General Experience: Three and one-half (3-1/2) years professional work experience which involved the application of unemployment laws, rules and regulations. Such experience may have been gained by active participation in the examination and adjudication of unemployment insurance claims, in the investigation of unemployment compensation claims or in the examination of financial records to insure conformance with federal or State unemployment insurance laws.

Applicants must have had either one (1) year of experience comparable to the class Unemployment Insurance Specialist VI or two (2) years of experience comparable to the class Unemployment Insurance Specialist V in State government.

Specialized Experience: One (1) year of professional work experience in the field of Unemployment Insurance as a program development specialist performing the most

procedures, goals and standards; in providing technical advice and assistance to line managers; and in budget preparation.

Supervisory Experience: One (1) year of professional experience in the field of Unemployment Insurance which included: 1) planning, organizing, scheduling, and directing the work of others; 2) assigning and reviewing their work; 3) advising them on difficult work problems; 4) training and developing subordinates; and 5) evaluating their work performance.

Administrative Aptitude: Applicants must possess administrative aptitude. Administrative aptitude will be considered to have been met when there is strong affirmative evidence of the necessary administrative aptitudes and abilities. Such evidence may be in the form of success in regular or special assignments or projects which involved administrative problems (e.g., in planning, organizing, promoting, and directing a program, including policy and budgetary considerations; and/or providing staff advice and assistance in such matters); interest in administration demonstrated by the performance of work assignments in a manner which clearly indicates awareness of administrative problems and the ability to solve them; completion of educational or training courses in the area of administration accompanied by the application of the principles, which were learned, to work assignments; management's observation and evaluation of the applicant's leadership and administrative capabilities; success in trial assignments to managerial and/or administrative tasks.

Quality of Experience

Possession of the required number of years of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and level of responsibility as to conclusively demonstrate that he/she has the ability to perform the duties of the position for which he/she is being considered.

Selective Certification

Specialized knowledge, skills and abilities may be required to perform the duties of some positions. For such positions, Selective Certification Requirements may be established and certification may be restricted to eligibles who possess the pertinent experience and/or training required to perform the duties of the position.

Agencies requesting selective certification must show the connection between the kind of training and/or experience on which they wish to base selective certification and the duties of the position to be filled.

Tests

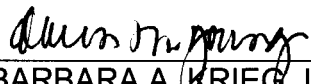

Applicants may be required to qualify on an appropriate examination.

Physical and Medical Requirements

Applicants must be able to perform the essential functions of the position effectively and safely, with or without reasonable accommodation.

This is an amendment to the minimum qualification specifications for the class UNEMPLOYMENT INSURANCE PROGRAM DEVELOPMENT OFFICER, which were approved on November 23, 1987.

DATE APPROVED: 2/27/2012

BARBARA A. KRIEG, Interim Director
Department of Human Resources Development
